

Spontaneous Stupidity

Accessing the Fool Within

The vessel with the pestle has the pellet with the poison and the chalice in the palace has the brew that is true.
(Danny Kaye in *The Court Jester*)

Being a teacher, a health professional, a politician, banker and a student or parent is serious business. How we address the ethical, therapeutic, relational, advisable and inadvisable, appropriate or inappropriate aspects of our work with Wisdom and Understanding, takes years of experience, learning theory, and practice. However did you know that True Wisdom that is held in the heart of Spontaneous Stupidity?

Spontaneous Stupidity is an experiential workshop where you will discover the true power living life lightly.

We explore the powerful role of the Court Jester in Medieval times and experiment with channelling our wisdom through the funnel of the absurd.

You will have the opportunity to experiment with stupidity in a light-hearted and yet powerful way. Personal and professional issues will be explored from a totally new perspective and you may discover through Spontaneous Stupidity, a Wisdom you never **knew you had**.

Sacred Support

*Consciously connecting to our Guidance through Invocation,
Meditation and Sacred Sound*

How do *you* connect to your own Sacred Support? This Support is available to all of us and yet few of us have learned how to do this in our every day lives.

Sacred Support is an experiential workshop where you will be invited to experiment with new possibilities and go beyond old boundaries.

You will have the opportunity to meet, connect and work with your own Guidance.

You will learn how to tune into your own inner WISDOM (In -Tuition)

You will learn how to use the Blue Fire Ritual for psychic protection in your life and in your work.

You will re-member life times where that have always know this work and you will create ways to put your knowing, gifts and skills into practice.
